The New School

As part of our continued investment in our schools facilities, our new ISIS OXFORD school will be opening in the very centre of Oxford. It will link up with our Oxford Tutorial College and create an exciting new study community. Offering a range of courses from short-term English Language courses to Academic Study Year Programmes and university preparation with our International Foundation Year Programmes and A-level courses. All right in the very heart of historic Oxford. What better place to study.

Our new site is situated on Alfred Street in an 18th Century building with classrooms looking out over Oxford High Street and across to Brasenose College. Surrounded by the historic beauty of many university colleges and buildings, it is an enviable environment in which to study

The interior of the school will be completely refurbished with 10 purpose-built classrooms, interactive whiteboards, stylish student

social room / computer suite, self-study centre and reception area. The school will provide students with first class facilities to enjoy both studying and socialising and we will continue to offer high quality courses in a friendly and welcoming environment. Students will be able to enjoy the best that Oxford has to offer with shops, cafes, bars, restaurants, Parks, galleries and museums right on our doorstep! The school is easily accessible with buses from all parts of town stopping outside our door.

We are confident the new location will enable us to continue to offer the best possible experience to your students in one of Oxford's premier English language schools.
